1. Claims 2,12,20,27 and 36 are canceled.
2. Applicant is required to update the copending/related applications.

***Reason for Allowance***

3. The following is an examiner's statement of reasons for allowance:

Applicant arguments filed on 8/10/2005 are considered persuasive in regard to patentability over the prior art of record in view of pages 3-4 which describes the cache management method and system for storing dynamic content using the predetermined parameter associated with the cost of generating dynamic content to be cached, each of a plurality of cache content in the cache with generation information including a generation cost of each cached content.

This functionality is supported by the specification paragraph 0026-0039.

Claims 13-10;13-17;19,21-25; 28-34 and 37-42 are depended on claims 1,11,18,26 and 35 respectively and are consider allowable on the same basis as the independent claim as well as for the further limitations set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
